THE PERSONS WITH DISABILITIES REGULATIONS, 2021

ARRANGEMENT OF REGULATIONS

PART I- PRELIMINARY

1. Title
2. Interpretation
3. Raising awareness
4. Benefits relating to persons with disabilities
5. Determination of disability
6. Affirmative action

PART II- ACCESS TO EDUCATION

8. Access to education
9. Right to education and training for persons with disabilities
10. Facilities and equipment in educational institutions
11. Library and laboratory facilities in schools and other institutions of learning
12. Special and non-formal education
13. Facilities for special schools

PART III- ACCESS TO HEALTH, REHABILITATION AND HABILITATION

Access to Health

14. Protection of the rights of persons with disabilities to health service
15. Training of health professionals

Habilitation and Rehabilitation

16. Provision of habilitation and rehabilitation services
17. Industrial rehabilitation and habilitation
18. Counseling services
19. Periodic screening of children
20. National Rehabilitative health programmes

PART IV- ACCESS TO EMPLOYMENT

21. Work and employment for persons with disabilities
22. Public employment centres
23. National human capacity of persons with disabilities
24. Employment of persons with disabilities
25. Quota of persons with disabilities workforce
26. Incentives for employers
27. Posting, transfer and redeployment of persons with disabilities
28. Training, skilling and retooling for the unemployed persons with disabilities
29. Apprenticeship
30. Prohibition of discrimination by employers
31. Working environment
32. Facilitation of business opportunities for persons with disabilities

PART V- ACCESS TO BUILDINGS, SERVICES, TRANSPORTATION AND PHYSICAL ENVIRONMENT

33. Promotion of accessibility by Government
34. Personal mobility of persons with disabilities
35. Accessibility to buildings to which the public have access and services
36. Accessibility to shopping malls
37. Accessibility to cafeterias, restaurants, bars and entertainment centers
38. Accessibility to hotels
39. Accessibility to hospitals and health facilities
40. Accessibility to institutions of learning
41. Accessibility to sports facilities
42. Access to public transit buildings
43. Accessibility to existing constructions
44. Importation of non-conventional vehicles
45. Access to Automatic Tailor Machines (ATMs)
46. Accessibility of persons with disabilities to historical monument and tourism sites
47. Integration of needs of persons with disability in roads infrastructure
48. Pedestrian walk ways
49. Parking places for persons with disabilities
50. Reservation seats on vehicles
51. Denial of admission into premises

PART VI- ACCESS TO COMMUNICATION, JUSTICE

52. Access to communication services
53. Mandatory sign language and aids for persons with disabilities.
54. Access to justice
55. Access to information

PART VII- PARTICIPATION IN THE ELECTORAL PROCESSES, POLITICAL AND PUBLIC LIFE

56. Participation of persons with disabilities in political and public life
57. Assistance to voters with disabilities
58. Access to voter registration centers

“social protection” means public and private interventions to address risks and vulnerabilities that expose individuals to income insecurity and social deprivation, leading to undignified lives;

“social support” means a support or assistance given to a person with disability in order to help that person to cope with his or her situation in a given environment;

“support services” means care, support, protection and empowerment to persons with disabilities who are unable to fully care for themselves in order to empower them to make well informed decisions towards their wellbeing and development including personal care, rehabilitation, psychosocial support, respite care, protection services, provision of information and referral;

“tactile” means a language used by people who are deafblind.

3. Raising awareness

(1) The Minister shall, in consultation with the Council and other relevant stakeholders put in place effective and appropriate measures to-

(a) raise awareness at all levels of society, including at the family level, regarding persons with disabilities and to foster respect for the rights and dignity of persons with disabilities;

(b) combat stereotypes, prejudices and harmful practices relating to persons with disabilities, including those based on sex, age, all areas of life; and

(c) promote awareness of the capabilities and contributions of persons with disabilities to society.

(2) The measures referred to in subregulation (1) may include-

(a) initiating and maintaining a structured and effective national awareness campaigns designed to-
(i) nurture receptiveness to the rights of persons with disabilities;
(ii) promote positive perceptions and greater social awareness towards persons with disabilities; and
(iii) promote recognition of the skills, merits and abilities of persons with disabilities, and their contributions to the workplace and the labour market;
(b) fostering at all levels of the education system, including in all children from an early age, an attitude of respect for the rights of persons with disabilities;
(c) promoting awareness and training programmes regarding persons with disabilities and the rights of persons with disabilities;
(d) sensitizing of media on disability related topics and the use of the appropriate terms;
(e) targeted programming at all levels of the educational system to promote awareness of the inclusion and capabilities of persons with disabilities; and
(f) developing and delivering awareness programmes to build capacity among persons with disabilities and their organisations.

3. The Council shall, in collaboration with the relevant Government agencies, non-governmental agencies, bodies corporate, private persons and other actors, implement the measures put in place by the Minister under subregulation (2).

4. Benefits relating to persons with disabilities

(1) The Government shall, in consultation with the Council for purposes of mobilizing persons with disabilities for socio-economic programmes -

(a) undertake re-skilling, re-training, re-tooling and education support for persons with disabilities;
(b) explore avenues and opportunities for job placement for persons with disabilities;
(c) undertake entrepreneurial support services for persons with disabilities;
(d) initiate and coordinate income generating projects that support the economic empowerment of persons with disabilities;
(e) organise and coordinate persons with disabilities to form productive associations and social networks for their common good and foster cohesion and sharing of positive experiences for socio-economic development; and
(f) ensure that decentralised programmes are disability inclusive.

(2) The Council shall in collaboration with organisations for and of persons with disabilities and other relevant stakeholders -

(a) mobilise persons with disabilities to participate in programmes run by the Government under subregulation (1);
(b) where required, coordinate persons with disabilities programmes at local government levels;

(c) provide a forum for persons with disabilities to associate and share experience and offer peer support to persons with disabilities;

(d) assist the Government in dissemination of information relating to persons with disabilities programmes at local government levels;

(e) provide a link between the Government and the persons with disabilities;

(f) inspire and promote among persons with disabilities a spirit of unity and national consciousness;

(g) provide a unified and integrated system through which persons with disabilities may communicate and coordinate activities;

(h) establish channels through which economic and social services and amenities may reach persons with disabilities in all areas of Uganda;

(i) encourage persons with disabilities to participate in national development in the economic, social, cultural and educational fields; and

(j) promote relations between persons with disabilities organisations in Uganda and international organizations of persons with disabilities with similar objects or interests.

5. Determination of disability

(1) A determination to confirm a disability under section 2 of the Act shall be carried out where it is required for proceedings before a court of law or for any other official purpose including access to available government benefits or programmes for persons with disabilities.

(2) A determination under subregulation (1) shall be carried out by a Medical Practitioner registered under the Medical and Dental Practitioners Act with the relevant expertise or an expert appointed by the Council.

(3) A determination under this regulation shall be based on the definition of disability under the Act and Schedule 3 to the Act.

(4) Where a court requires the Council to appoint an expert for purposes of section 2 to the Act, the court shall notify the Council in writing stating reasons for the determination.

(5) The Council shall, within seven working days from the date of receipt of a notice under subregulation (5), appoint an expert with the relevant expertise and notify the court in writing.

(6) The determination for confirmation of disability under this regulation shall only be used for the purpose for which it is required.
(7) A person who carries out a determination to confirm a disability under this regulation shall uphold the rights and dignity of the person with disability.

(8) Where the person with disability to be examined is a minor or with mental disability, he or she shall be examined in the presence of a parent, guardian or legal representative, as the case may be.

6. Affirmative action
The Government may, where applicable, implement affirmative programmes for persons with disabilities in different areas including-

(a) the award of scholarships and student financing schemes to learners with disabilities;

(b) additional pointe to allow persons with disabilities to access higher education for in public universities and other tertiary institutions is widened;

(c) special consideration in the recruitment of qualified persons with disabilities into the public sector;

(d) Special consideration in political appointment and appointment on statutory boards, authorities and commission subject to written law;

(e) provision of social protection; and

(f) specialized sports programmes.

(1) The parents or guardian of a child with disabilities and the State shall in accordance with the Children Act, take appropriate steps to see that the child is-

(a) assessed as early as possible as to the extent and nature of their disabilities or special needs;

(b) offered appropriate treatment; and

(c) afforded facilities for their rehabilitation, habilitation and equal opportunities to education.

(2) A parent or guardian shall in liaison with a medical practitioner be responsible for the identification of a child with disabilities.

(3) Where a child is identified with any disability, the child shall be afforded such facilities as are necessary to address their needs by Government in accordance with the Children Act.

(4) A child with disabilities shall have access to such education suitable to address their disabilities or special needs.

(5) A child shall not be discriminated against on account of their disability.
PART II- ACCESS TO EDUCATION

8. Access to education
(1) The Government shall ensure an inclusive education system at all levels and lifelong learning directed to-

(a) the development by persons with disabilities of their personality, talents and creativity, as well as their mental and physical abilities, to their fullest potential; and

(b) enabling persons with disabilities to participate effectively in education at all levels.

(2) The Minister responsible for education shall, in collaboration with the Minister and the Council ensure that-

(a) persons with disabilities are not excluded from the general education system on the basis of disability;

(b) children with disabilities are not excluded from education at all levels including pre-primary, primary education, secondary education vocational education, and tertiary education and university on the basis of disability;

(c) persons with disabilities can access an inclusive quality education at all levels including pre-primary, primary education, secondary education, university education and vocational education on an equal basis with others in the communities in which they live;

(a) not deprive a person with disability the right to health care service and shall take all reasonable and necessary measures to ensure access for such persons to health services;

(b) be made accessible to persons with disabilities including full access to public areas within the health facility including waiting areas and rooms, corridors, examination rooms, offices and toilets;

(c) comply with the National Building (Accessibility Standards for Persons with Disabilities) Code, 2019;

(d) make available basic facilities essential for health and rehabilitation services needed by persons with disabilities in their respective locations; and

(e) provide all health workers and rehabilitation personnel with appropriate continuous professional development to increase their knowledge, disability sensitive awareness and respect for the rights, dignity and needs of persons with disabilities, in accordance with the act and these Regulations.

(4) A person with disability shall receive effective medical care and measures that prevent occurrence of impairment which may cause permanent functional limitation or disability;

15. Training of health professionals

The Minister responsible for health shall include-

(a) the study of disability and disability related issues in the curricula of training institutions for health professionals to develop appropriate human resources, provide general and specialised rehabilitation services; and
Habilitation and Rehabilitation

16. Provision of habilitation and rehabilitation services
(1) The Minister responsible for health and the Minister responsible for education shall in consultation with the Council and the Minister in accordance with section 8 of the Act provide habilitation and rehabilitation services and programmes.

(2) The Minister shall in collaboration with the Minister responsible for health and the Minister responsible for education and the Council implement rehabilitation and habilitation services and programmes under subregulation (1) through organizing, strengthening and extending comprehensive rehabilitation services and programmes.

(3) The programmes referred to under subregulation (1) shall relate to health, education, livelihoods, social welfare and empowerment to enable persons with disabilities to attain and maintain maximum independence, full physical, mental, social and vocational ability, and full inclusion and participation in all aspects of life.

(4) The habilitation and rehabilitation services and programmes referred to under subregulation (1) shall be in such a way that the services and programmes-

(a) begin at the earliest possible age, and are based on the multidisciplinary assessment of individual needs and strengths; and

(b) support participation and inclusion in the community and all aspects of society, are voluntary and are available to persons with disabilities as close as possible to their own communities, including in rural areas.

(5) The Minister shall-

(a) promote the development of initial and continuing training for professionals, staff and trainees working in habilitation and rehabilitation services;

(b) promote the availability, knowledge and use of assistive devices and technologies, designed for persons with disabilities, as they relate to habilitation and rehabilitation;

(c) offer guidance, counselling and appropriate training for persons with disabilities who are unable to enter into the mainstream of social life; and

(d) provide rehabilitation and habilitation centers with the staff and facilities that are necessary for the performance of their functions.

(b) education on disability and disability issues in health care programmes.
(6) Persons with disabilities shall as much as possible be rehabilitated and habilitated in their communities to foster their inclusion.

(7) Additional rehabilitation services may include-

(a) provision of quality medical care, medical rehabilitative services such as corrective surgeries, mobility and orientation, regimental treatments and alternative communication training;

(b) early detection, assessment and referral services;

(c) provision, servicing and training on assistive devices and technologies;

(d) provision of quality and inclusive education and training services for persons with disabilities;

(e) skills development, employment and social security and care services;

(f) training in activities of daily living;

(g) psychosocial and counselling services;

(h) awareness raising on issues affecting persons with disabilities;

(i) social enhancement services;

(j) sign languages and tactile and other communication skills;

(k) participation of persons with disabilities in social, political, economic and cultural life;

(l) participation of persons with disabilities in sports, leisure and recreation activities, and healthy competitions and, relationships, marriage and family life;

(m) association with peers, associations of persons with disabilities and other mainstream associations;

(n) production of low cost appropriate technology;

(o) screening and referral services;

(p) medical services to children with diverse needs;

(q) awareness raising on issues affecting persons with disabilities;

(r) rehabilitative services;
(s) self and social enhancement services;
(t) orientation and mobility training for the visually impaired;
(u) sign language and survival communication skills for the hearing impaired;
(v) skills enhancement training, seminars and group dynamics activities; and
(w) socialization, recreational, physical fitness and sports activities and participation to competitions.

17. Industrial rehabilitation and habilitation
(1) The Minister shall, in consultation with the Minister responsible for education and the Council, issue guidelines for industrial rehabilitation and habilitation courses and services for persons with disabilities on or above the age of sixteen years in order to render them fit for formal or self-employment.

(2) The industrial rehabilitating and habilitating courses and services provided for under subregulation (1) shall consist of facilities where such persons may, under adequate medical supervision and circumstances conducive to the restoration of fitness, obtain physical training exercise and occupation therapy conducive to the evaluation of functional level and such other incidental facilities as the Minister may deem necessary for enabling persons attending the rehabilitation and habilitation to obtain full benefit of the courses and services.

(i) promoting vocational and professional rehabilitation, job retention and return-to-work programmes for persons with disabilities.

(3) The Minister shall ensure that a person with disability are not in slavery or in servitude, and are protected, on an equal basis with others, from forced or compulsory labour.

22. Public employment centres

(1) The minister responsible for labour and employment may, subject to any written law and in collaboration with the National Employment Council (NEC) and Council, set up public employment centres that can assist persons with disabilities find inclusive decent employment.

(2) The Minister shall, in liaison with the National Employment Council, establish job search platforms for purposes of assisting persons with disabilities to have access to decent and productive employment.

(3) A person with disabilities who qualifies for employment placement and who wishes to access that benefit, shall submit his or her curriculum vitae to the Council with supporting documents to enable the Council to facilitate his or her employment placement, subject to availability of opportunities.

23. National human capacity of persons with disabilities

(1) The Council shall, in consultation with the National Employment Council and the relevant stakeholders, establish, maintain and operate a national human capacity register for persons with disabilities in possession of various levels of skills and training which shall be administered in accordance with these Regulations and guidelines issued by the Council.

(2) The register referred to in subregulation (1) shall constitute a database of available human capabilities and technical skills of persons with disabilities in Uganda and may be used for recruitment of persons with disabilities by employers and for purposes of job placements.

(3) The Council may annually advertise the media inviting persons with disabilities to register on the register established under this regulation.

24. Employment of persons with disabilities

(1) Subject to inherent requirements of a particular job, an employer shall when advertising for vacancies encourage persons with disabilities to apply.

(2) An employer shall not, while conducting interviews for employment use screening methods which have the effect of discriminating against a person on the grounds of his or her disability.

(3) An applicant with any disability shall disclose to the prospective employer the nature of his or her disability to enable the employer to provide necessary assistance and devices during the interviews.

(4) The Minister shall, in consultation with the Council periodically provide to employers information on necessary assistance and devices with regard to the nature and categories of disabilities.

Commented [u2]: Isn’t this merely exciting PWDs? Has this been for any other group in Uganda? Yes, we can set precedent but seems far unlikely in this wake of unemployment.
(5) An employer may consult the Minister to certify the requirements to provide services and devices of assistance to persons with disability.

(6) The Minister responsible for labour shall compile detailed information on persons with disabilities which shall include-
   (a) age;
   (b) sex;
   (c) nature or type of disability;
   (d) educational qualification;
   (e) skills;
   (f) location by district.

(7) The employer shall ensure that the physical offices of the workplace are accessible and the employer shall provide assistance and devices required by an employee with disability to enable him or her to execute his or her duties.

(8) An employer shall provide such facilities and effect such reasonable necessary and appropriate modifications and adjustments in the workplace necessary to ensure that an employee with a disability can enjoy or exercise all human rights and fundamental freedoms on an equal basis with other including the provision of tools, equipment, working environment and where necessary, a modified working schedule.

(9) A person who employs a person with disability shall provide-
   (a) the relevant working tools; and
   (b) appropriate facilities required by the person with disability for the efficient performance of the functions required by the employment.

(10) The employer shall accord persons with disabilities equal opportunities and treatment at the place of work.

(11) In addition to the provisions of the Workers Compensation Act, where an employee becomes disabled in the course of his or her employment and is unable to perform his or her previous duties, the employer shall subject to availability of alternative positions, re-deploy, re-orient and re-align the employee.

(12) A person who employs persons with disabilities shall file annual returns of employment of persons with disabilities to the Minister in Form A prescribed in the Schedule to these Regulations.

(13) The annual returns in subregulation (11) shall indicate the annual lump sum the employer spent on persons with disabilities.

(14) An employer shall comply with all the labour laws including the Employment Act, 2006 the Occupational Safety and Health Act, 2006, the Labor Union Arbitration and Settlement Act, 2006 and the Workers Compensation Act.
25. Quota of persons with disabilities (workforce)

(1) An employer shall employ persons with disabilities in accordance with a quota system prescribed by the Minister in accordance with section 9 (6).

(2) Every employer shall comply with the quota system prescribed by the Minister under subregulation (1).

(3) Where an employer fails to meet quota under subregulation (1), the employer shall submit proof to the satisfaction of the Minister and the Council that-
   
   (a) after reasonable efforts he or she has failed to find a person with disability or a qualified person with disability for that post;
   
   (b) due to the nature of the employment, he or she could not get a person with disability with the skills, ability or experience required;
   
   (c) due to the nature of work or the circumstance of the workplace and the condition of the person with disability, it may not be possible to employ a person with disability or continue employment of a person with disability.

(4) Every employer shall submit an annual report to the Minister on the employment of persons with disabilities employed in his or her office, workplace, institution or organisation.

26. Incentives for employers

(1) An employer with employees with disabilities shall be allowed deductions of up to ten percent on the chargeable income, as may be provided for by the Income Tax Act in accordance with section 9(5).

(2) An employer referred to under subregulation (1) shall present proof certified by the Ministry responsible for disability affairs that the persons with disabilities in respect of whom he or she claims the deduction are under his or her employment.

(3) Notwithstanding subregulation (1), the Government may, where available, grant a person who employs a person with disabilities additional incentives in respect of each person with disability employed.

(4) The Government may grant special incentives to persons with disabilities engaged in business and business organizations that employ persons with disabilities, where available.

(6) The Minister may provide special recognition to a private employer who improves or modifies his or her physical facilities or avails special services in order to provide reasonable accommodation for employees with disabilities.

27. Posting, transfer and redeployment of persons with disabilities

(1) An employer shall not discriminate against a person with disabilities on the basis of their disability on posting, transfer and redeployment, in compliance with section 9 of the Act.

(2) An employer shall not post or transfer a person with disability to a section or place of the establishment not suited for that person.

(3) Where a person in employment suffers a disability as a result of the employment, the employer shall counsel, re-train and re-deploy the person to another section more suited to the
person with a disability and this shall be in addition to any other relief which the employee is entitled to under any written law.

28. Training, skilling and retooling for the unemployed persons with disabilities
Where a person with disabilities remains unemployed for more than two years, the Minister may, where possible—

(a) provide appropriate training for that person provide that person with necessary working tools and materials; and

(b) assist that person to access relevant government programs.

29. Apprenticeship
Subject to the Employment Act, 2006 and the Employment Regulations, 2011, a person with disabilities shall be eligible for engagement as apprentices or learners where their disability is not such as to impede their performance in particular occupations for periods for which they are hired.

30. Prohibition of discrimination by employers
(1) Subject to the Employment Act, 2006 and subregulation (2), an employer shall in compliance with section 9 of the Act, not discriminate against a person with a disability in relation to—

(a) the advertisement of employment;

(b) the recruitment for employment;

(c) the creation, classification or abolition of posts;

(d) the determination or allocation of wages, salaries, pensions, accommodation, leave or other such benefits;

(e) the choice of persons for posts, training, advancement, apprenticeships, transfer, promotion or retrenchment;

(f) the provision of facilities related to or connected with employment;

(g) training and advancement;

(h) provision of facilities related with employment; or

(i) any other matter related to employment.

(2) Notwithstanding subregulation (1), an employer shall be deemed not to have discriminated against a person with a disability if—

(a) the act or omission alleged to constitute the discrimination was not wholly or mainly attributable to the disability of the said person;

(b) the disability in question was a relevant consideration in relation to the particular requirements of the type of employment concerned; or
(c) special facilities or modifications, whether physical, administrative or otherwise, are required at the work place to accommodate the person with a disability, which the employer cannot reasonably be expected to provide.

(3) A complaint by a person with a disability that an employer has discriminated against him or her contrary to the Act and these Regulations may be presented to a labour officer under the Employment Act, 2006 or the Council under regulation 67.

(4) Any contract for employment or for provision of goods, facilities or services, or any other agreement, shall be void insofar as it purports to deny a person with disabilities any rights or privileges conferred under the Act and these Regulations or in any other way to limit the operation of the Act and these Regulations.

(5) A public or private organization which advertises any employment shall encourage persons with disabilities to apply.

(6) An employer shall ensure that an employee with disabilities is not discriminated against by fellow employees through awareness creation, sanctions or disciplinary actions against the perpetrators.

(2) The Uganda Communications Commission shall prescribe, by notice in the Gazette, the manner, time and percentage of programmes targeting persons with disabilities.

53. Mandatory sign language and aids for persons with disabilities.
(1) An operator who operates a television station shall, in accordance with the Uganda Communications (Content) Regulations, 2020, use sign language or sub-titles for the benefit of persons who are hearing impaired, in newscasts at least once a day, and in live telecasts of national events.

(2) All broadcast operators shall endeavor to provide special equipment for persons with disabilities.

(3) All television stations shall provide a sign language inset or subtitles in all newscasts, educational programmes and other programmes covering national events.

(4) The Council shall promote the printing of weekly summaries of all newscasts in large print, braille by printing houses.

54. Access to justice
(1) A person with disability shall have effective access to justice on an equal basis with others.

(2) A person with disability may be provided with-
   (a) procedural and age-appropriate accommodations, to facilitate their effective role as direct and indirect participants, including as witnesses, in all legal proceedings and during investigative and other preliminary stages; and
   (b) intermediaries or facilitators, whenever needed, to enable clear communication among and between persons with disabilities and courts, tribunals and law enforcement agencies to ensure safe, fair and effective engagement and the opportunity to fully participate in legal processes.

(3) The Government shall, in promoting access to justice for persons with disabilities-
   (a) ensure that justice, law and order institutions including courts, tribunals, police stations are fully accessible, gender and age sensitive and have ramps, access to sign language interpreters, where applicable;
(b) ensure that prisoners with disabilities are treated with dignity;

c) develop and promote systems for “assisted” decision-making for persons with psychosocial impairments;

d) promote community awareness on the rights of persons with disabilities;

e) increase awareness on disability rights among police, prisons and legal practitioners; and

(f) expedite the handling of cases involving people with disabilities.

(4) The Minister shall in collaboration with the justice, law and order institutions-

(a) train law enforcement and judicial officers in matters concerning persons with disabilities; and

(b) provide awareness-raising and training programmes for persons in the judicial system addressing the rights of persons with disabilities, in particular in the context of access to justice.

(5) Where a person with disability is a party in judicial proceedings, the adjudicating body shall take into account the condition of the person with disability and provide appropriate facilities that enable the person with disability to participate effectively in the proceeding and where necessary, provide assistive devices the enable the person with disability to participate effectively in the court proceedings.

(6) The Minister shall in collaboration with the relevant stakeholders promote the establishment of alternative justice mechanisms including restorative justice, alternative dispute resolution mechanisms, and cultural and social forms and forums of justice, that are available to persons with disabilities on an equal basis with others, without regard for any construct of capacity to participate.

(7) Persons with disabilities shall be provided with procedures for hearings that ensure fair treatment and full participation of persons with disabilities, including children with disabilities, during proceedings, as appropriate including-

(a) adaptation of the venue;

(b) appropriate waiting spaces;

(c) removal of cloaks and wigs;

(d) adjustments to the pace of proceedings;

(e) separate building entrances and waiting rooms and protective screens to separate persons with disabilities from others, if necessary due to physical or emotional distress;

(f) modifications to the method of questioning in appropriate circumstances, such as allowing leading questions, avoiding compound questions, finding alternatives to complex hypothetical questions, providing extra time to answer, permitting breaks as needed and using plain language;
(g) use of pretrial video recording of evidence and testimony, if necessary, practical and possible, in such a manner as not to contravene basic rights, such as the right to confront and cross-examine witnesses;

(h) allowing persons with disabilities, at all stages of the process if they so choose, to be accompanied by family, friends or others to provide emotional and moral support, without replacing, however, the role of an intermediary or facilitator;

(8) Where possible, persons with disabilities shall be provided with the technical and other support necessary for parties, witnesses, claimants, defendants and jurors to use any form of communication as necessary for their full participation, including-

(a) assistive listening systems and devices;
(b) open, closed and real-time captioning, and closed caption decoders and devices;
(c) voice, text and video-based telecommunications products;
(d) videotext displays;
(e) computer-assisted real-time transcription;
(f) screen reader software, magnification software and optical readers;
(g) video description and secondary auditory programming devices that pick up audio feeds for television programmes;

(h) supporting communication, in addition to intermediaries or facilitators, through the use of third parties, including-

(i) note-takers;
(ii) qualified sign language and oral interpreters;
(iii) relay services;
(iv) tactile interpreters; and

(g) ensuring that all interpreters are able to interpret effectively, accurately and impartially.

55. Access to information

(1) Subject to the Access to Information Act, 2005 and any other written law, where a public body communicates with one or more persons, the head of the body shall ensure that-

(a) if the communication is an oral one, and the person with disability has a hearing impairment and so requests, the contents of the communication shall be communicated in a form that is accessible to the person concerned;

(b) if the communication is a written one, and the person or persons aforesaid have a visual impairment and so requests, the contents of the communication shall be communicated in a form that is accessible to the person concerned.
(2) Where a public body communicates in electronic form with one or more persons, the head of the body shall ensure that the contents of the communication are accessible to persons with visual impairment to whom adaptive technology is available.

(3) The head of a public body shall ensure that, information published by the body, which contains information relevant to persons with intellectual disabilities, is in a clear language, legible and easily understood by such persons.

(4) The Council in consultation with Ministry of ICT and National Guidance shall-

   (a) develop and promote technologies for persons with disabilities;

   (b) promote other appropriate forms of assistance and support to persons with disabilities to ensure their access to information including Braille, Large print and audio recording;

   (c) promote access for persons with disabilities to new information and communications technologies and systems, including the internet speech software and magnifiers; and

   (d) promote the design, development, production and distribution of accessible information and communications technologies and systems locally so that these technologies and systems become accessible at affordable costs.

PART VII - PARTICIPATION IN THE ELECTORAL PROCESSES, POLITICAL AND PUBLIC LIFE

56. Participation of persons with disabilities in political and public life

(1) The Government shall ensure that persons with disabilities have political rights and the opportunity to enjoy them on an equal basis with others, and shall-

   (a) ensure that persons with disabilities can effectively and fully participate in political and public life on an equal basis with others, directly or through freely chosen representatives, including the right and opportunity for persons with disabilities to vote and be elected by-

      (i) ensuring that voting procedures, facilities and materials are appropriate, accessible and easy to understand and use;

      (ii) protecting the right of persons with disabilities to vote by secret ballot in elections and public referendums without intimidation;

      (iii) persons with disabilities can stand for elections and effectively hold office and perform all public functions at all levels of government;

      (iv) facilitating the use of assistive and new technologies, where appropriate in the electoral process;

      (v) guaranteeing the free expression of the will of persons with disabilities as electors and to this end, where necessary, at their request, allowing assistance in voting by a person of their own choice;
(b) promote an environment in which persons with disabilities can effectively and fully participate in the conduct of public affairs, without discrimination and on an equal basis with others, and encourage their participation in public affairs, including—

(i) participation in non-governmental organizations and associations concerned with the public and political life of the country and in the activities and administration of political parties; and

(ii) forming and joining organizations of persons with disabilities to represent persons with disabilities at international, regional, national, and local levels.

(2) A person with disability who has attained the age of eighteen years and above shall be entitled to enjoy and exercise political rights and opportunities as any other citizen without any form of discrimination.

(3) Subject to any written law relating to public election and subregulation (2), a person with a disability shall have a right to vote, hold elective office and otherwise participate in the political rights and opportunities as any other citizen without any form of discrimination.

(4) The Electoral Commission shall, in consultation with the Minister and Council, ensure that the rights and opportunities for persons with disabilities to vote and be elected in public office is guaranteed by—

(a) encouraging and providing reasonable accommodation to persons with disabilities to stand for elections, and to hold office at all levels in the Government;

(b) providing training for polling officials on the rights of persons with disabilities and the practical means of assuring their voting rights;

(c) ensuring that voter registration locations are accessible to persons with disabilities;

(d) ensuring that voting procedure, facilities and materials are appropriate and accessible;

(e) ensuring that all polling stations have accessible requirements to voters with disabilities, including reasonable accommodation of voters who use; wheelchairs, devices for persons with low vision, and tactile ballot templates for visually impaired and deaf blind persons;

(f) ensuring that voters with disabilities have the same degree of information available when casting their ballot as others;

(g) guaranteeing the free expression of the will of the persons with disabilities as electors, and where necessary, at their request, allowing assistance in voting by a person of their own choice; and

(h) in accordance with the laws governing elections, setting up criteria and procedures to be applied in nominating qualified persons with disabilities to be elected or be appointed to represent persons with disabilities in all decision and policy making process during the elections, through affirmative action or special prescribed arrangements.

(5) In determining the number of polling stations and the location of any polling station, the Commission shall have regard to geographical considerations and accessibility to persons with disabilities.
(6) Where for justifiable reason a polling station is inaccessible to persons with disabilities, alternative location shall be identified and publicized to be used by such persons.

57. Assistance to voters with disabilities

(1) A voter with disability may, during any election who requires assistance to vote by reason of disability, or inability to read or write, request the assistance of a person of his or her choice to assist in the casting of his or her vote.

(2) The voter referred to under subregulation (1), before retiring to the voting booth, may have a person of his or her choice read over to him or her, without suggestion or interference, the titles of the offices to be filled, the candidates and the issues on the ballot.

(3) After the voter requests assistance under subregulation (1), he or she shall proceed to the voting booth for the purpose of marking the ballot paper according to the voter’s choice.

(4) It is unlawful for any person to be in the voting booth with any voter except as provided in subsection (1).

58. Access to voter registration centers

(1) The Electoral Commission shall provide public assistance and programs that primarily serve persons with disabilities including by providing voter registration forms, assisting voters in completing the forms and transmitting completed forms to the appropriate election official.

(2) The Electoral Commission shall ensure that all particulars of a voter with disabilities are recorded accurately in the Voter’s Register as provided by the person.

(3) The records generated under subregulation under (2) shall be by the Electoral Commission to-

(a) designate polling stations;
(b) aid the establishment of electoral collages;
(c) aid the production of voting materials;
(d) carry out voter education in accessible format; and
(e) assist of persons with disabilities during elections.

(3) A person with disability shall be given priority and not be required queue for the purpose of registration or voting.

(4) The presiding officer may make such necessary and respectful inquiry in order to establish that the voter and the person the voter has chosen to assist him or her satisfies the provisions of this regulation.

(5) The following shall apply with respect to a person who assists a voter under this regulation the person shall, before assisting or supporting the voter, make a declaration of secrecy before the presiding officer in the format determined by the Electoral Commission.
(6) Where a presiding officer grants the request of a voter under this regulation, the presiding officer shall record in the polling station register against the name of the voter the fact that the voter was assisted and the reason for the assistance.

(7) No person other than a person acting under this regulation shall be present while a voter is marking his or her ballot paper and any person who contravenes this subregulation commits an offence under the Act.

59. Participation in cultural life, recreation, leisure and sport

(1) A person with disability shall be entitled to take part like any other citizen in cultural life in the society without discrimination.

(2) The Government shall, in collaboration with the Council, civil societies and any other relevant stakeholder take appropriate steps to enable persons with disabilities to have opportunity to develop and utilize their creative, artistic and intellectual potentials for their own benefit and for the enrichment of the society.

(3) The Government shall take all appropriate measures to ensure that persons with disabilities-

(a) enjoy access to cultural materials in accessible formats;

(b) enjoy access to television programmes, films, theatre and other cultural activities, in accessible formats; and

(c) enjoy access to places for cultural performances or services, such as theatres, museums, cinemas, libraries and tourism services, and, as far as possible, enjoy access to monuments and sites of national cultural importance.

(4) A person with disability shall, on an equal basis with others, be recognized and supported in their specific cultural and linguistic identity, including sign languages and Deaf culture.

(5) With a view to enabling persons with disabilities to participate on an equal basis with others in recreational, leisure and sporting activities, the Government shall take appropriate measures-

(a) to encourage and promote the participation, to the fullest extent possible, of persons with disabilities in mainstream sporting activities at all levels;

(b) to ensure that persons with disabilities have an opportunity to organize, develop and participate in disability-specific sporting and recreational activities and, as much as possible encourage the provision, on an equal basis with others, of appropriate instruction, training and resources;

(c) to ensure that persons with disabilities have access to sporting, recreational and tourism venues;

(d) to ensure that children with disabilities have equal access with other children to participation in play, recreation and leisure and sporting activities, including those activities in the school system; and
(e) to ensure that persons with disabilities are consulted by those involved in the organization of recreational, tourism, leisure and sporting activities.

PART VIII - INDEPENDENT LIVING FOR PERSONS WITH DISABILITIES

60. Living independently and being included in the community
(1) Every person with disability shall be assisted by the Council, local government authority, relatives, non-Governmental organisations, civil society or any other person to live as independently as possible and be integrated in the community.

(2) A person with disability shall not be forced to live in an institution or in a particular living arrangement including settlement for persons in need of special protection.

(3) The Minister shall, in consultation with the Council, take other effective measures as may be necessary to enable and support persons with disabilities to live as independently and fully integrated in the community, including-

(a) provision of equal opportunity for every person with a disability to choose his or her place of residence and living arrangements, in accordance with written law;

(b) community services for the general public are available without discrimination to persons with disabilities and are responsive to their basic needs; and

(c) accessibility to a wide range of community based rehabilitation, habilitation and inclusion services including in-house, residential and other community support services, personal assistance and sign language interpretation, necessary to support living and integration in community; and

(d) access to information about available support services, and to prevent community from disability based discriminations;

(e) the opportunity to choose their place of residence and where and with whom they live on an equal basis with others and are not obliged to live in a particular living arrangement; and

(f) access to a range of in-home, residential and other community support services, including personal assistance necessary to support living and inclusion in the community, and to prevent isolation or segregation from the community.

61. Obligation to provide social support and care
(1) Every relative of a person with disability shall have an obligation to provide social support to such person.

(2) Where there is more than one relative of a person with disability, the relatives shall be under collective obligation to provide the social support to such person.

62. Settlement for persons with disabilities
(1) Without prejudice to the provisions of regulation (2), where a person with disability has no relative who can provide for him or her due to the nature of his or her disability needs to be
admitted to the settlement and he or she consents to live in such a settlement, he or she may, subject to the provisions of these, be admitted in the settlement.

(2) A person with disability other than a person provided under subregulation (1), shall apply in person or through his or her representative duly appointed by him or her, to the Council, local-government authority or respective settlement for consideration to be admitted in a settlement for persons with disabilities, provided that-

(a) the person applying is a person with disability within the meaning of the Act;
(b) the person applying has no relative who can provide for him or her; and
(c) owing to special circumstances, the local authority in which he or she is ordinarily resident cannot facilitate for his or her social support.

(3) The Council may issue guidelines for admission of persons with disabilities in settlements.

(4) Where a person with disability has to be put in a specialised establishment, the environment and living conditions of the establishment shall, except as otherwise required by the condition of the person with disability, be as close as possible to those of a person without disability of the same age as the person with disability.

63. Formulation of programmes
(1) The Minister shall, in consultation with the Council formulate programmes in order to secure integral and inclusive social development of persons with disabilities including their vocational training and rehabilitation.

(2) The programmes provided in subsection (1) may also provide for shelter, employment, marketing, accessibility and innovation.

64. Social protection to persons with disabilities
(1) A person with disability shall, without discrimination on the basis of his or her disability be entitled to social protection.

(2) The Minister shall, after consultation with the Council take appropriate steps to ensure that persons with disabilities enjoy access to social security and protection, including steps to-

(a) ensure access by persons with disabilities to appropriate and affordable services, devices and other assistance for disability related needs;
(b) ensure equal access by persons with disabilities to clean water services, and to ensure appropriate and affordable services, devices and other assistance for disability-related needs;
(c) ensure access by persons with disabilities, in particular women and girls with disabilities and older persons with disabilities, to social protection programmes and poverty reduction programmes;
(d) ensure access by persons with disabilities and their families living in situations of poverty to assistance with disability related expenses, including adequate training, counselling, financial assistance and respite care;
(e) ensure access by persons with disabilities to public housing programmes, where available;

(f) ensure equal access by persons with disabilities to retirement benefits and programmes;

(g) ensure access by persons with disabilities, in particular the aged and children, to social protection programmes and poverty reduction strategies; and

(h) ensure access by persons with disabilities to available grants and credit services for income-generating activities and to public housing programmes, if resources allow.

(3) The Minister shall, after consultation with relevant stakeholders, develop a comprehensive national strategy aimed at securing the provision of prevention and early intervention programmes to families, parents, caregivers of persons with disabilities.

(2) Prevention and early intervention programmes shall focus on-

(a) preserving the family structure of a person with disabilities;

(b) developing appropriate parenting skills and the capacity of parents and caregivers to safeguard the wellbeing and best interest of a person with disability;

(c) developing appropriate parenting skills and the capacity of parents and caregivers to safeguard the well-persons with disabilities;

(d) promoting appropriate interpersonal relationships within the family;

(e) providing psycho-social, rehabilitation, habilitation and therapeutic programmes for persons with disabilities;

(f) preventing the neglect, exploitation, abuse or inadequate supervision of persons with disabilities and preventing other failures in the family environment to meet needs of the persons with disabilities;

(g) avoiding the removal of a person with disability from the family environment; and

(h) promoting the participation of families, parents, caregivers and persons with disabilities in identifying and seeking solutions to their problems.

PART IX - MISCELLANEOUS PROVISIONS

65. Corrective orders

(1) The Council may, where there is a violation of a right of a person with disability or noncompliance with the provisions of the Act and these issue a corrective order in accordance with section 17 (2) (a) of the Act to any government agency, non-governmental agency, body corporate or private person concerned to correct the violation or comply with the Act and these Regulations.

(2) The corrective order under subregulation (2) shall-

(a) set out-

(i) a full description of the person, premises, services or amenities concerned; and
(ii) the grounds upon which the Council considers that the person, premises, services or amenities are inaccessible to persons with disabilities.

(b) require the owner or provider concerned to undertake at his or her own expense such action as may be specified in order to secure reasonable access by persons with disabilities to the premises, services or amenities concerned; and

(c) stipulate the period within which the action referred to in paragraph (b) shall be commenced and completed.

(3) The Council shall serve notice of the corrective order under subregulation (2) upon the person concerned-

(a) specifying the ground upon which the adjustment order is to be issued and the nature of the action which the Council considers necessary to rectify the situation which has given rise to the proposed order;

(b) stipulating the maximum period that the Council considers reasonable for the implementation of the action it proposes to order; and

(c) calling upon the person concerned, if he or she wishes to do so, to make representations to the Council within thirty days from the date of the service of the notice.

(4) After considering any representations described in subsection (3)(c) the Council may issue or refrain from or defer the issuing of, an adjustment order.

(5) A person who contravenes this regulation commits an offence under the Act.

66. Reporting infringement of rights of persons with disabilities

(1) A member the community who has evidence or information that rights of a person with disabilities are being infringed or that a parent, a guardian or relative having custody of a person with disabilities who is able to, but refuses or neglects to provide the right to play, medical care, leisure and education, shall report the matter to the local government or Council as well as to any other relevant authority of the area.

(2) A person to whom a report is made under subregulation (1) is made, shall, upon receiving the report, summon the person against whom the report was made to discuss the matter and the decision shall be made by that person in the best interest of person with disability.

(3) Where the person against whom the report was made refuses to comply with the decision made under subregulation (2), the matter shall be referred to the court which shall hear the matter.

67. Lodging Complaints with Council

(1) A person may lodge a complaint with the Council relating to discrimination, marginalization or any act which contravenes the Act or these Regulations.

(2) A complaint made under subsection (1) may be in Form D set out in the Schedule to these Regulations.
(3) Notwithstanding subregulation (1) a person with disability may, by himself or through a legal representative, lodge a complaint to any public body.

(4) The Council shall consider or hear the complaint within six months after receipt of the complaint.

68. Register

(1) The Minister shall, in consultation with the Council, establish, maintain and update a disability management information system.

(2) The system referred to under subregulation (1) shall contain-
   (a) the names, addresses and other personal particulars of persons with disability;
   (b) categories disabilities;
   (c) number of persons with disabilities;
   (d) available services and programmes;
   (e) referral system; and
   (f) names, addresses of offices and other particulars of institutions, organisations and associations which provide rehabilitation, services or support for persons with disability.

(3) Entries and other alterations in the register shall be made in such a manner as the Council may, from time to time, determine.

(3) The register established under subsection (1) shall only be used for identification and other statistical purposes.

(5) No person with disability shall remove his nor her name from the register while he or she is still with the disability.

69. Registration of organizations

(1) The Council shall maintain a register of Governmental and non-governmental organisations that provide services for rehabilitation and welfare of persons with disabilities and the membership of those organisation.

(2) The register shall contain in respect of each organisation registered with the Council shall contain the following-

   (a) name and address of the organisation;
   (b) NGO registration number;
   (c) date of registration;
   (d) geographical areas of operation;
   (e) key activities or objectives of the organisation;
(f) permit number, where applicable;

(g) district where the headquarters of an organisation is situated; and

(h) date of issue and expiry of registration.

(2) The Council may request the organisation in writing for information for purposes of compiling and updating the register.

(3) All existing organizations of or for persons with disabilities shall, within twelve months after these Regulations comes into operation, apply for registration in accordance with these Regulations.

(4) Any Governmental and non-governmental organisations that provide services for rehabilitation, habilitation and welfare of persons with disabilities shall apply to the Council for registration.

(5) An application under subregulation (3) shall be in Form B set out in the Schedule to these Regulations and shall contain-

(a) a certified copy of a certificate of incorporation or registration;

(b) a copy of the organisation’s constitution or governing documents;

(c) a chart showing the governance structure of the organisation;

(d) proof of payment of the prescribed fee;

(e) source of funding of the activities of the organisation;

(f) copies of valid identification document for at least two founder members;

(g) minutes and resolutions of the members authorizing the organisation to register with the Council;

(h) a recommendation from the ministry responsible for disability affairs.

(6) The application for registration of an organisation shall be signed by at least two founder members.

(4) Where the organisation has complied with the Act and these Regulations, the Council shall issue a certificate of registration to the organisation.

(7) The certificate of registration shall be in Form C set out in the Schedule to these Regulations and shall indicate the name, registration number and date of registration of the organisation.

70. Requirement of registration of settlements for persons with disabilities

(1) A person shall not establish, operate, manage or maintain a settlement for persons with disabilities unless such settlement has been registered with the Council under regulation 64.
(2) A person who intends to establish, operate, manage or maintain a settlement for persons with disabilities shall apply to the Council for registration of such settlement in accordance with regulation 57.

(3) Upon application for registration of premises as a settlement for persons with disabilities, the Council responsible for disability affairs may cause an inspection to be made to such premises.

71. **Regional and district offices of the Council**

The Council may establish regional and district offices.

72. **Law enforcement and persons with disability.**

(1) Law enforcement agencies shall take into consideration the disability of a person on arrest, detention, trial or confinement of the person and provide for that person accordingly.

(2) Institutions for the training of law enforcement personnel shall have as part of their curricula, the study of disability and disability related issues.

73. **Power of entry**

(1) Subject to the Act, the Minister may designate from among its officers and officers of the Council as inspectors to investigate any matter for the purpose of ensuring compliance with the Act and these Regulations.

(2) An inspector designated under subregulation (1) may at all reasonable time, enter any premises of an employer, institution, organisation or building for the purpose of inspection and ensuring compliance with the Act and these Regulations.

(3) An inspector may in the course of inspection exercise any of the following powers—

   (a) have access to the premises of any person, premises or organisation regulated under the Act and these Regulations;

   (b) confiscate any incriminating document or material;

   (c) interview and record statements from any person having knowledge of the subject matter;

   (d) recommend to the Minister or Council for an interim closure of the premises or offices of the organisation; or

   (e) issue a corrective order in accordance with regulation 60.

(4) In exercising his or her power under the Act and these Regulations, an inspector shall suitably identify himself or herself with a valid identification document issued by the Minister or Council.

(5) Every inspector shall immediately after conducting an inspection issue a certificate of inspection in duplicate signed by the inspector and a representative of the person whose building or facility is inspected.
